Write a brief essay explaining the following things:

1) Why did you choose the breed of heifers you did?

2) What breed of bull did you breed your heifers to and why? When were they bred and when do you expect them to calve? What criteria did you look for in selecting this bull? Did you have any performance information available, if so what? What kind of breeding techniques did you use?

3) Where do your heifers live? Give details of the facilities that you use. (Include equipment used, tack purchased, pen construction, pasture leased, etc.)

4) Give a summary of your commercial heifer project. Include your experiences and all you have learned from the project as well as any other information that you would like to share.
